SpringApparel For You, Personally

Display Next Week Still Further Strengthens Our Supremacy

TYLE superiority is not merely a claim at the Popular. It is an established fact and as the season advances, our position becomes stronger. With our wide diversity of styles it is you personally we consider, for after all you know better than anyone else just what is most becoming and most pracfical for you to buy. We invite you to come next week and assure you that you will be grateful for the opportunity to choose from authentic Spring Modes that have been individualized for you personally. As to prices you will find that instead of paying more than usual for this special privilege, prices are entirely in your favor.

Suits For You, Personally

DURING the period of the war we conscientiously and patriotically wore our old suits. While the need for economy of the right sort is still with us, there are some indulgences we are allowed. Not the least of these is a new suit, especially a new Spring suit. It is in Spring that the least-inclinedto-be-dressy among us, feel the longing for something new. This is one of Dame Nature's sensible appeals. Some of you will try to pass up the suits this Spring. But is that practical. What better can you wear at all times and all places. Popular is showing the newest fashions of distinctive, tailored simplicity, yet holding the bright, light touch that dispels any hardness. Fabrica are of unusual quality, richness and fineness being the words that describe then best. They include all the new and popular weaves, without doubt there is our to your liking. All the new colors obtainable are in our collection. You will find the color that makes you look your best. Our prices range from \$25.00 to \$175.00.

Girls' Own Shop"

THERE is a type of small woman with slight, girlish figure who can wear with success styles not primarily designed for her. In fact she is likely to find just what she wants outside of lines usually specified for women. The Popular is showing unique creations in the smart "Sub-Deb" models in Coats, Capes, Dresses and other apparel that will be of interest to this type of woman. Mary Roberts Rhinehandt made Barbara of the "Sub-Deb" stories a delightful original of girls we all know. We believe it is going to take the small woman as well as the "Sub-Deb" to prove the charm of this New Spring Special. If you have been unsuccessful in fitting yourself out so far, do not despair. Look into these unusual and interesting styles, the "Sub-Deb."

They Saw! ONG BEFORE the doors opened on Friday

I morning the crowds came all day-till long after dark, people came in hundreds. They carried away these splendid Robes and Blankets in arm loads. Few bought only one-some bought as many as a hundred. Men and women who know merchandise no longer doubted-they bought. The sale will grow bigger and bigger because those who bought will bring their friends to buy. Remember that every one of these robes and blankets came direct to us from the U. S. Government. That none of them are worth less than twice as much as the price asked and that many of them are worth up to \$20. They are one price-
